ANNUAL REPORT 2018-19

SEVADHARMA SHIKSHAN VA BAHUDDSHIYA SANSTHA, AKOLA is a Society working with the passion for providing in the Service of mankind, Social Welfare, rural development, employment of youth and health awareness of the society. Since its inception in 1992 our Society is contributing in Social Work.

We sincerely foresee that the youth/women of our country have tremendous potential and hence they should be availed with maximum possible opportunities for their success. Along with this, the Society also aims at mobilizing social welfare and protecting public interest.

Apart from educational and social activities, the Society prudes into various other programmes of social interest like welfare of women and children in remote areas/medical relief activities etc.

The Society gives prime importance to the human resource of the country and emphatically believes that if the people of this country were healthy and educated, it would surely enhance the chances of their growth. Towards this large Social interest the Society has done commendable work in the field of medical relief activities in the remote rural areas.

Other than the educational activities the Society is engaged in various other social activities in the field of medical relief, Agricultural upliftment and Physical Development. The Society organizes various Camps, Tournaments, and Competitions in order to develop the Students and youth of the surrounding vicinity to develop mentally logically, physically & culturally.

Society has a huge vision and dream and with a view to fulfill the same as well as keeping in mind the Future prospects in The Educational, Social, Cultural and Health Sector, the Society has implemented the following activities in the year 2006-07

SCHOLASTIC DEVELOPMENT

In this competitive world of today, the rural students are lagging behind in educational facilities and the competitive spirit displayed by their urban counterparts. Hence in order to make the students in the rural vicinity equipped with all the amenities the Society has conducted various PERSONALITY DEVELOPMENT CAMPS, Work Experience Campaigns, and Craft Competitions etc.

VOCATIONAL GUIDANCE CAMP

Society had conducted the VOCATIONAL GUIDANCE CAMP for the youth & women of rural areas of Dist: Akola. With a view to enrich & strengthen the economical position of the youth. Therefore the Society has implemented this CAMP. The youth & women were taught Computer Application, Typing, Carpentry, Shorthand, Sewing, Tailoring, and Dress Designing etc. with an intention to make them self-sufficient and self-reliant.

AWARENESS PROGRAMME FOR RURAL WOMEN

These Tribal Women are given awakening lectures and counselling on various topics of Women empowerment & self-reliability. The rural Women are Counseled on their Constitutional Rights & Duties and are made aware about the Laws in their favour. They are also given the important information regarding Cleanliness, Health Related Issues, Tackling Family Conflicts and Economical and Financial Stability by the initiative of Women.

SPORTS COMPETITIONS

Our Society strongly believes that "A sound Mind lives in a Sound Body" and carrying this headline ahead a Sports week was organized by our Society for the Students of the Schools run by the Society. During the entire week students participated in numerable Competitions conducted for their physical and mental

development. The Sports arranged for the students during the sports week were: High Jumps, Long Jumps, Running Races- 100 mts, 200 mts and 400 mts Marathon. Athletics like sprint, Javelin throw, Discuss Throw and Shot -Put were also organized. The students very well enjoyed sports Competitions like Inter-House Foot ball Competiton, Hockey Competition, Volley- Ball and Basket Ball etc. Few extraordinary sports like Roller Skating and Swimming were also held for the students. The Programme was inaugurated at the hands of the Society's President and the Prizes were distributed to the winners and winning teams at the hands of the Mayor of Akola.

AIDS AWARENESS CAMP

As a part of the Social Welfare Activities, the Society also held an AIDS Awareness Camp for the Truck Drivers and labour class of Akola. These people Sex-Workers were given a Medical Check-Up and they were informed about the REPRODUCTIVE TRACT INFECTIONS (RTI) and the SEXUALLY TRANSMITTED DISEASES (STD). They were guided about contraceptives and its use to prevent themselves from diseases. Rehabilitation courses for those suffering from any sexual disorders were conducted in order to save their lives from the deadly diseases they can confront due to STD. Inputs regarding HIV/AIDS and the ways to prevent it were emphasized. Eminent Doctors were involved in this guidance and awareness camp.

DISPUTE ELIMINATION COUNSELLING

Our Society has implemented the DISPUTE ELIMINATION COUNSELLING in the Akola District. This Counselling aimed at providing help and aid to people in family crisis intervention, victims of dowry, marital family maladjustment etc. The Society has seriously intervened in matters to strengthen the social fabric by preventing the families from breaking up and promoting harmony in the family.

The Society invited Advocates and Counsellors to guide and counsel all those who are prone to various addictions resulting into dally quarrels, misunderstandings, fights and clashes within and outside their families, which disturbs the peace and harmony of the family and the entire surrounding. They are also counseled on many disputes in family, relationships, property and other matters take place.

FARMERS' GUIDANCE CAMP

The Society had arranged a FARMERS' GUIDANCE CAMP for farmers in and around Akola. The objective behind this camp was to create awareness among the traditional farmers regarding the use of modern techniques in farming and the upcoming trends in Modern Farming. Agricultural Officers etc. explained the importance of scientific means of farming and methods of getting higher yields. The Exports also emphasized on the information & implementation of the various Central & State Govt. Schemes of NHB NHM, Floriculture, Vermiculture, Organic Farming and Medicinal Plant Cultivation. Even Techniques of Green manure & Compost Manure preparation were highlighted.

HEALTH CAMPS

The Society conducted a Health Camp in villages like Malkapur, Khadki, Alanda (Dist: Akola) respectively. The Camp included speeches on protecting the family from various water-borne diseases like Cholera, Jaundice etc. as well as contagious diseases like Pneumonia, Chicken-pox and Scabies etc.

The basic objective of this Camp was to make the rural women as well as citizens about the prominent and contagious diseases that hamper health conditions and bring misery and death and provide remedial measures for preventing the same.

PREVENTION OF COW-SLAUGHTER

Cows are viewed with religious respect & fervor in India. But due to some selfish gains and for satisfying the urge, cows are slaughtered for their meat. Our Society raised an

antagonistic voice regarding the same and tried to put check on this inhuman act of slaughtering the cows merely for their flesh. Society activists objected the ruthless killings of the dumb animals through judicious means as a contribution in filtering the faith of the society at large and with an intention to spread the word.

The above-mentioned activities are the Society's endeavors in the Academic Year 2006-07
